WELCOME!

We know that your experience related to the chemical leak in December 2021 and aftermath may be difficult to handle. We value each of our patients like family and strive for the most professional, compassionate care possible! At gerstenberg.clinic, our goal is excellence in all that we do! Please take a moment to familiarize yourself with our practice guidelines and services!

Who is paying for my medical exam related to the chemical leak?

We anticipate that the company will take full responsibility of your medical care related to this leak. We will work with those who have been impacted medically and are directly under legal representation. When your case is settled or adjudicated, we will settle your account with this clinic. Recognize that the patient or guarantor is ultimately responsible for expenses incurred.

Insurance

We will still ask for your insurance, if you have any medical coverage. We will not bill your insurance carrier for care directly related to the chemical leak. We accept most major medical insurance and, of course, we are happy to file your claim for you, electronically, in most cases. We try to be sensitive to each individual's situation in particular needs. A $50 charge may occur for any missed visits or returned checks.

Scheduling

We make every effort to ensure timely appointments. We try to maximize appointment availability for all of our patients. If, for any reason, you cannot keep your appointment, please call as soon as you realize this, so that we can reschedule for a more convenient time. Any patient arriving more than 15 minutes late to their scheduled appointment time will be rescheduled. Also, if you have waited more than 15 minutes in the waiting room, please tell the receptionist, as there has probably been an oversight. We are sensitive to your schedule, and hope you'll be sensitive to ours and other patients.

Referrals/consultations

If we feel you need to see a specialist or have special testing we will make every effort to get you in as soon as possible. One of our staff will attempt to address this as soon as possible. Please recognize that this situation may complicate this. In the event you choose to use your insurance for further testing or consultation, you will likely need to see your primary care physician (PCP) to arrange this. We will help in every way needed.

Prescriptions

Any medication cost will be at your personal cost and may be reimbursed at your adjudication. There will be no narcotic nor controlled medications prescribed.

I am legally able to give consent for treatment, and do affirm consent, for the above patient to receive any type of service deemed medically necessary. I am seeking medical care related to the Nederland chemical leak and understand the company may cover my medical care expense but I understand I am ultimately responsibile to pay for any professional services received. I realize that NO insurance billing will be performed by gerstenberg.clinic for these services. I authorize payment to be made directly from my attorney to the physician. There will be a minimum $100 charge for all requests for medical records other than those requested by other physicians for coordiantion of care, or as per law.

No out of pocket cost will be required to be paid at the time of service for the medical screening. A $50 charge may occur for any missed visits. Payment for services will be subject to final adjudication of my claim the company. If final determination by legal action results in no medical care benefit, I understand that I am liable for expense incurred here. If payment arrangements are not made/nor followed through, I understand I may be referred to collections services and this may affect my creditworthiness. I understand that referral for medical services other than a blood test (CBC, CMP), a chest X-ray and a spirometry (lung function test) will be my responsibility. As well, if I seek specialty testing or consultation, and choose to use my regular medical insurance, this may require prior authorization or my primary care physician to arrange such.

I have been provided the opportunity to review the Notice of Privacy Practices of this clinic and have been afforded the opportunity to ask any questions I may have pertaining to the policy. A copy of the clinic's Notice of Privacy Practices may be accessed at any time via www.gerstenberg.clinic. My acknowledgement of these policies will remain in effect until revoked by me in writing. A photocopy of this acknowledgement with my signature is to be considered valid as original.
